

Follow the crowd?

The readers are at odds with society

Tempted away by strange teachings

They need to remember Christs sacrifice

Are we tempted by strange teachings?

We need to remember and persevere

Follow Christ?

Unlike fads, Christ doesn't change

“Through Jesus” – Jesus is the only way

“Let us continually” – not occasional

“offer” – we bring our gift to God

“sacrifice of praise” – we give freely

Follow the Leader?

Remember the heroes of the past

Have confidence in your leaders...

... when they proclaim Gods word

Leaders are there to serve God

So pray for our Leaders
